

Integrated supply chain solutions

Singapore Logistics Hub

Regional distribution hub with everything you
need for a seamless supply chain

End-to-end supply chain management

Sea Logistics – No. 1 globally

Being the world's number one sea logistics provider gives Kuehne+Nagel customers a competitive advantage. Each year, we deliver more than 4 million TEUs, providing highly flexible services through partnerships with leading carriers, as well as easy visibility and monitoring of freight movements via KN Login, our global information system.

Air Logistics – Top 2 globally

Every year we look after nearly 1,350,000 tons of air cargo, spanning not only key international airfreight routes but also individual transportation solutions to the more remote parts of the planet. All Kuehne+Nagel airfreight shipments are planned, controlled and measured according to Cargo iQ procedures, so your shipments are monitored door-to-door within our network, giving you the information you need, when you need it.

Integrated Logistics – No. 1 globally

Get lean, get agile with our globally successful integrated logistics team. As your strategic partner, Kuehne+Nagel Integrated Logistics is your single point of contact for logistics execution and supply chain management services.

Contract Logistics – Top 2 globally

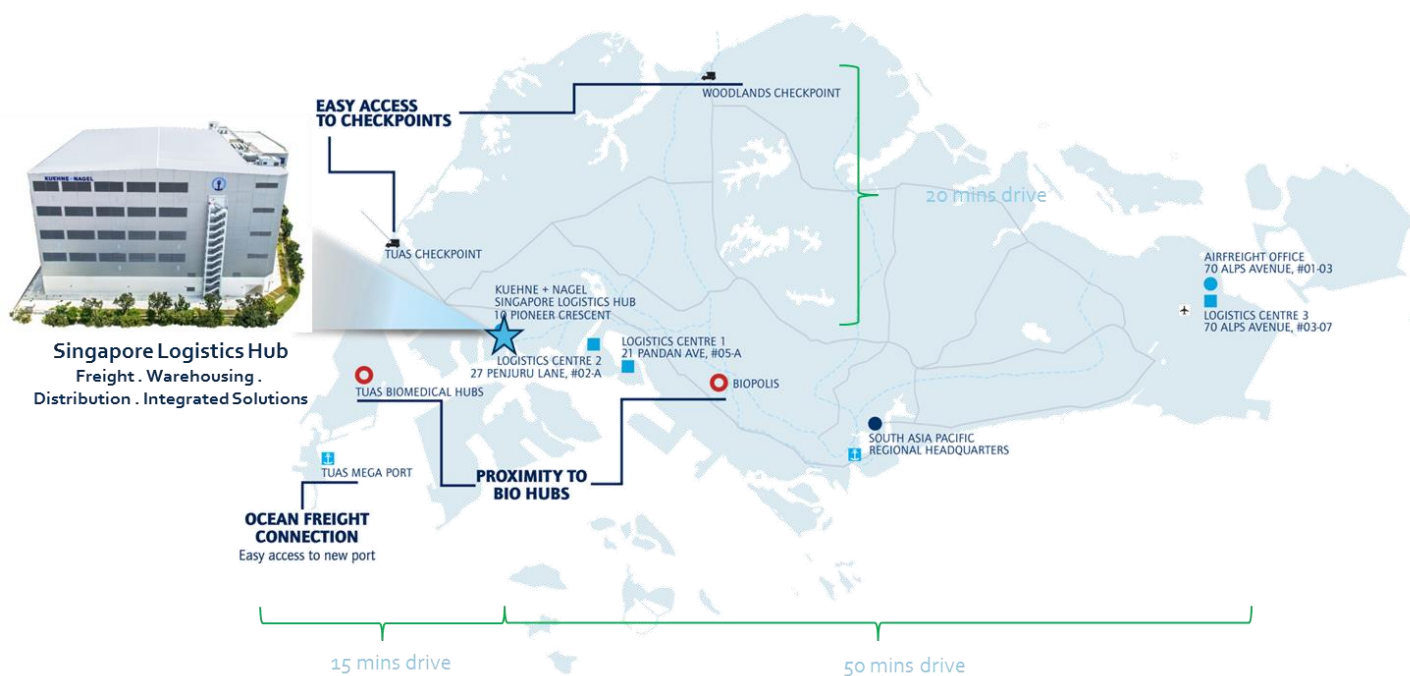

Kuehne+Nagel is one of the world's leading contract logistics service providers, with more than 10 million square meters of warehouse and logistics space under management across more than 65 countries, with four warehouses in strategic locations within Singapore.

Road Logistics – 1 road, 7 countries

With over 400 20-foot and 40-foot trucks to support cross border transportation across the region and a strong local distribution network to support domestic shipments, our regional Road Logistics team offers Domestic & International Road Full Truck Load (FTL) Service across seven countries - Singapore, Malaysia, Thailand, Vietnam, Myanmar, China and Hong Kong. International Less than Truck Load (LTL) Service is also available between Singapore and Malaysia.
